Deborah McDowell

A very kind and generous EDS member donated this beautiful carriage as is. She originally paid \$3,500 for this custom made walk through Meadowbrook style cart, which may be suitable for a 10-14 hand equine. Carriage has brass appointments, flush brass wheel hubs, brakes, stands 31-32 inches at the pony shoulder, black vinyl seat is 36 inches, current shaft width distance at pony shoulder is 18.5 inches (shafts will need to be replaced and adjusted to fit the winner's equine, to make the carriage usable), and the overall wheel height is 38 inches. With the exception of the shaft issue, this is a gorgeous like-new carriage!

Raffle tickets will be on sale now through August 23rd. The carriage will be available for viewing at all Enchantment Driving Society events, and the winner will be drawn at the conclusion of the Vickroy Driving Clinic on August 23rd, 2009, at the Bernalillo County Sheriff Posse Arena on 2nd St in Albuquerque NM. Need not be present to win, but we'd sure like to see you at the Vickroy Driving Clinic!
